Shipping Damage: The Bicycle Man, LLC is not responsible for damage incurred during shipping. Occasionally a bicycle may be damaged in the shipping process. This may be true even though the exterior of the box may show no damage (this is called concealed damage). If your bike arrives damaged you should refuse the shipment and file a claim with the carrier immediately. We cannot be responsible for damage caused in the shipping process. Purchasers will be responsible for shipping costs associated with damaged part replacements. If you have any question regarding this issue, please feel free to contact us. We will be glad to help you.
